

LOCATION

Fruskogorje Winery is located on Mt. Fruska Gora, the only mountain in the Pannonian Valley. It is conveniently close to two largest Serbian cities - Novi Sad (18 km) and Belgrade (58 km) and the historical town of Sremski Karlovci (6 km). Getting there by car is relatively fast and easy.

How to find us? We are located on the Krusedol road, two kilometers away from the Krusedol Monastery. You should take the Belgrade- Novi Sad rout (or vice versa), and once you get to the Banstol crossroads (Restaurant “Zavicaj”), you should take a turn leading to the Krusedol Monastery.
